

# NIC BLAIZE

HIGHLY DRIVEN AND ENTHUSIASTIC FULL-STACK DEVELOPER EAGER TO START THEIR CAREER.

## CAREER TRANSITION

???

### Junior Full-Stack Developer

Could this be your company? I seek to...

📍 (remote)

- Solve complex problems, learn new technologies, & further my ongoing education and professional development within a company culture that fosters growth, values independence, and promotes a healthy work-life balance.
- Work with diverse teams and contribute to group projects on a schedule that helps motivate me to do my best without burning out.
- For examples of my programming work, please check out my portfolio on my website.

## EXPERIENCES

2024

2023

### Fish & Aquarium Store Associate

Sea Level

📍 Hopkins, Minnesota

- Catch, bag, acclimate, and take care of various aquarium fish.
- Perform maintenance and care tasks such as water changes and cleaning.
- Learn from more experienced fish keepers; sharing that knowledge and education, answering questions, be available to offer advice and help problem-solve customers' issues.

2023

### Custom Framer

Michaels

📍 Bloomington, Minnesota

- Engage with and educate customers directly, and assist with choosing mats and frames that are aesthetically pleasing and align with the customer's vision of the finished pieces.
- Order custom mats and frames, taking precise measurements, preparing and storing all artwork so that assembly is smooth when mats and frames arrive.
- Assemble frames and mount artwork using a variety of techniques depending on the artwork and frame used.

2021

2016

### Apprentice Electrician

Various electrical contractors

📍 Denver, Colorado

- Install and repair electrical systems under supervision of licensed electricians.
- Respond to service calls, identify and resolve electrical issues.
- Often work directly with homeowners and general contractors to ensure excellent communication and customer satisfaction.

## EDUCATION

2025

2024

### University of Minnesota's EdX Full-Stack Coding Bootcamp

University of Minnesota

📍 Minneapolis, Minnesota

Successfully completed the full-stack cohort in March 2025 with a 97% grade, demonstrating strong dedication and technical skills.

2021

2018

### Electrical Apprenticeship Program

Independant Electrical Contractors of the Rocky Mountains

📍 Northglenn, Colorado

2007

2005

### General Education and Visual Art

University of Northern Colorado

📍 Greeley, Colorado

2005

2001

### High School Diploma

Durango High School

📍 Durango, Colorado
